Press Release

For Immediate Release:

CCI to Relocate Office Space from Lausanne to Geneva's Central Business District

Stamford, CT - September 16, 2013. Castleton Commodities International LLC ("CCI" or the "Company") announced that it has signed a lease on a space located in the central business district in Geneva on Rue de Rhône, and will be relocating its Lausanne-based activities to this new office. CCI anticipates that this location will offer closer proximity to its business partners, easier access to the airport and will allow the Company to continue to attract high quality personnel. The move date is expected to occur near the end of October.

About Castleton Commodities International LLC

CCI (formerly Louis Dreyfus Highbridge Energy) is a global commodities merchant with an integrated set of operations consisting of the marketing and merchandising of commodities and the ownership, operations, and development of commodities-related upstream and infrastructure assets. The Company markets a broad range of physical commodities including natural gas, natural gas liquids, refined products, crude oil, fuel oil, freight, petrochemicals, electric power and coal and financial instruments related to commodities. CCI is headquartered in Stamford, CT with offices in Houston, Texas, and Denver, Colorado, as well as foreign affiliate offices in Calgary, Canada; Lausanne, Switzerland; Shanghai, China; Singapore; and Uruguay.
